Happy Holidays

Merry Christmas from All of Us at Super Glue Corporation!!

[Super Glue Corporation](#) employees, and their families, were recently treated, by management, to a very special day at [Sea World](#), in San Diego, California. This pre-holiday tradition is a huge hit with our family based corporation! In the past we've been to [Disneyland](#), [Knott's Berry Farm](#), [Long Beach Aquarium](#), [San Diego Wild Animal Park](#), and many other southern California theme parks. It's always fun to catch up with our co-workers along with their kids and spouses, and just enjoy a day of recreation together. So many Super Glue Corporation employees have worked with the company for well over 15 years ... we're not only a team, but a family!
