Don't Toss it Out – Repair it with Bondini!

[Image: <https://www.pinterest.com>]

Have you had the misfortune of seeing your bird house broken and on the floor? Whether you made your birdhouse or purchased it, no one wants to see a broken birdhouse! Using [Bondini Everything Gel](#), you can repair your bird house and quickly place it back in its spot.

How to Use Bondini Everything Gel:

The best part about using this adhesive is that it works on a broad range of surfaces. If your birdhouse is made out of wood, plastic, or cardboard you can still use this gel to repair it.
