An Office Quick Fix: Repairing a Drawer with Super Glue's Fix-All Adhesive

Many people have been here: you pull that desk drawer open and the drawer face comes completely off. Once the initial shock has worn off, and the scattering of papers and debris has been cleaned up, next comes the game plan. A broken wooden drawer can't easily be replaced, especially if the desk is older. With Super Glue's Fix-All Adhesive, that gaping hole in the desk can easily become a quick-fix.

These Boots Were Made for Bonding with Bondini Everything Gel

Split shoe soles have a way of tripping people up, literally. When a favorite pair of boots or footwear suffers that moment of separation, the dirt may fly and the heart may sink just a little bit. Some take their shoes to get repaired professionally, which can be expensive. Others donate or even dispose of the pair. However, Super Glue's Bondini Everything Gel can make shoe repair simple and effective, and not so much of a "soul" splitting experience.

Abundant Bonding Applications

When it comes to bonding, Bondini Everything Gel's name says a lot. It works on just about everything, including materials such as:

- Leather
- Cardboard
- Rubber
- Ceramic
- Metal
- China
- Wood
- Most Plastics
- Corkboards
- Jewelry and much more

How to Fix Weather Stripping with Super Glue's Super Weather Strip Adhesive

Weatherstrips that are used and worn can come loose – it happens. The good news is that you don't necessarily have to replace them. That's where Super Glue's Super Weatherstrip Adhesive, from their Pro Seal line of products, comes in handy.

This product is ideal for securing worn or damaged weatherstrips. It's also high strength, fast drying and can bond to several different surfaces.

Tips For Weatherstripping

For starters, if you're looking to secure your weatherstrip to your door, you want to position it high enough so it doesn't drag any rugs. It would be ideal if you mark the placement beforehand.

Secondly, you're going to want to make sure the surface area of your weatherstrip and your door or window are dry and wax free.
