What Does Super Glue Have To Do With Bestselling Author Jonathan Franzen's Writing Process?

Jonathan Franzen, bestselling author of one of the top ten best books of 2010, [Freedom](#), uses [super glue](#) as part of his writing process!

In a Time Magazine interview, the great contemporary novelist, Jonathan Franzen describes the discipline he used to write his latest novel, Freedom. He writes six to seven days a week beginning at 7 a.m. in the morning. He works in a rented office that is void of any distractions. Using an old Dell laptop computer, Franzen "performs his dialogue out loud as he writes it" to the point of often becoming hoarse by the end of the day.
