Fabric Gift Tags

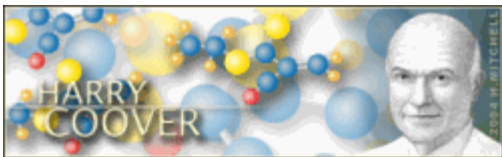

Here's a clever idea ... and if you're really clever you'll start making some now in preparation for the holidays! :) ... We understand, that sounds a bit premature, but can you believe how time flies? Anyway, check out the [From Aura blog](#) for all the details on making these cool package tags. We really liked her helpful tip on using [glue sticks](#) "to position the pleated piece on the tags". Thanks, Aura! and Happy Crafting, Everyone!
