PRO SEAL®, PACER®, and THE ORIGINAL SUPER GLUE® PRODUCTS FEATURED AT THE AAPEX* SHOW!

WHAT: AAPEX* - Automotive Aftermarket Products Expo
WHEN: November 4 - 6, 2008
WHERE: Sands Expo Center, Las Vegas, Nevada
BOOTH: # 2461

The dynamic Pacer Technology/Super Glue Corporation sales team will be showcasing premier adhesives designed especially for the automotive aftermarket, in Booth #2461, at the AAPEX show in Las Vegas, Tuesday through Thursday, November 4th - 6th. AAPEX is the world's largest automotive trade event attended by 118,000 professionals. Attendees represent over 125 countries.

Pro Seal® automotive products are designed to withstand the extremes common to every car engine. Heat, friction, vibration and compression conspire against many other adhesives, but Pro Seal® holds strong and fast even under these adverse conditions. Premium Pro Seal® products successfully help maintain cars avoiding expensive repair bills. The entire range of Pro Seal® products will be on display for attendees of the AAPEX Show.

The Original Super Glue® brand also has a line of automotive products which are available in many convenience stores, gas stations, and car wash locations. The sales team will have information and show specials available to attendees at AAPEX.

Finally, Pacer® Industrial products, ideal for maintenance and repair of machinery and equipment, will be showcased at the event.

For more specific information on Pro Seal®, Pacer®, and The Original Super Glue® products go to our website at www.supergluecorp.com. All of these brands are highly recognized in their respective channels of trade, however, each can be privately labeled featuring your brand name as well.
