Super Glue Corporation News: November 2010

Inventor of Super Glue Awarded National Medal of Technology and Innovation

[Harry Coover](#), the scientist who accidentally discovered [super glue](#) during unrelated research as an Eastman Kodak chemist, has been awarded the National Medal of Technology and Innovation for 2010. This year's award recipients were announced by President Obama, in a [White House press release](#), on October 15, 2010. The press release states, "The extraordinary accomplishments of these scientists, engineers, and inventors are a testament to American industry and ingenuity," President Obama said. "Their achievements have redrawn the frontiers of human knowledge while enhancing American prosperity, and it is my tremendous pleasure to honor them for their important contributions."

Model Train Enthusiasts Get CREATIVE

We LOVE this video entitled "Train Ride On Track Lighting". Don't let anyone ever tell you there's no room to set up your model train! :) According to a note on the video "the plexiglass ties were attached with super glue".

Motorcycle Grip Tip

Satisfied customer, Dan Scott, recently sent us this story about how he uses [The Original Super Glue\(R\)](#) products:

Dan says he uses [super glue products](#) on motorcycles. "I bought some Kuryakan grips for my motorcycle which cost between \$49 to \$79 for the set. They are the most popular grips around and most motorcycle folks buy them from [Kuryakan](#). The 2 bottles of glue were dried up when I received them so I called to ask what glue can be substituted. They said, "[Super Glue Gel](#) ." and that is the ONLY glue they would recommend." [We found the video above which shows how, indeed, glue is applied when changing out grips.]

Disneyland FUN!

On a cool, crisp, October Saturday Super Glue Corporation's owners honored employees, and their families, by treating them to a day at [Disneyland](#). Though located only about 45 minutes away from Super Glue Corporation's Rancho Cucamonga [headquarters](#), spending the day at the magic kingdom is still a thrill for everyone!
