Giant Scale RC Aircraft Shows & RC Warbird Event Sponsored by ZAP

Check out these AMAZING Monster Planes! These giant scale RC Aircraft were recently showcased at the [Monster Plane USA](#) event in Lakeland, Florida. This unique event is not a competition, but an opportunity to show off and FLY these incredible model airplanes weighing up to 125 pounds! [ZAP\(R\)](#) is a proud sponsor of the Monster Planes events and we received the following specifics on these planes from representatives attending the event.

Prankster Problems and Super Glue

Every year, especially the day after Halloween, questions come in about how to remove [super glue](#) from toilet seats, floors (flip flops, coins, etc.) and even car door locks. It doesn't take a detective's mind to know that these problems did not occur after super glue had been used in a productive, constructive way. No, these poor souls are asking these questions because they were pranked. Pranksters find [super glue](#) great fun to use. Unfortunately, sometimes along with just being a pain to remove, these antics can cause destructive, irreparable damage.
