Super Glue Corporation News: October 2011

ZAP for Fly Fishing!

This Super Glue Corp Chief Blogger was recently vacationing in Sun Valley and while I was hanging around the uber cool [Silver Creek Outfitters](#) store I spotted our [ZAP](#) Flyfishing Adhesive Product (perfect for fly tying) in the store. As a marketer this made me very happy, so I snapped this picture for the blog.

(Lowe's/Woolworth Joint Venture) Now Open in Australia!

Good on ya! Great News! Masters Home Improvement (a joint venture between Lowe's and Australia's Woolworth) recently opened in Australia and our own Nick Grooters, Export Sales Manager, was there to celebrate the grand opening!

Wild Fowl Carver Loves Zap-A-Gap Glue!

Wow, check out these amazing hand carved ducks! Our customer, Kenneth Kincade, sent us these terrific pictures. He “hand carves life size competition grade decorative duck water fowl”.

Hold It! Clamp It! New E-Z Fuse Tape – Super Useful!

Super Glue Corporation has a great new product that has lots of different uses. It’s called E-Z Fuse Tape. It looks a little like old fashioned electrical tape, and it has many of the same uses, but it isn’t nearly as sticky or

permanent as the old black tape used to be. The video above shows Dan using the tape as a clamp while the epoxy he applied to a broken sign sets. The tape sticks to itself, but doesn't stick to the wooden sign so it can be removed instantly and leaves no residue behind.
